Insurance Authorization and Assignment

I request that payment of authorized Medicare/Other Insurance company benefits made either to me or on my behalf to provider for any services furnished me by that party who accepts assignment/audiologist. Regulations pertaining to Medicare assignment of benefits apply. I authorize any holder of medical or other information about me to release to the Social Security Administration and Health Care Financing Administration or its intermediaries or carrier or any other insurance company any information needed for this or a related Medicare/Other Insurance company claim. I understand that my signature requests that payment be made and authorizes release of medical information necessary to pay the claim. If item 9 of the HCFA-1500 claim form is completed, my signature authorizes releasing of the information to the insurer or agency shown. In Medicare/Other Insurance company assigned cases, the provider or supplier agrees to accept the charge determination of the Medicare/Other Insurance companies as the full charge, and the patient is responsible for the deductible, coinsurance, and non-covered services. Coinsurance and the deductible are based upon the charge determination of the Medicare/Other Insurance company. I have received a copy of the Notice of Privacy Practices.
