Dear <First Name>,

We hope this letter finds you and your loved ones in good health. Our goal is to ensure you are living every moment to the fullest, including not compromising on your hearing.

We also have some exciting news to share! We are pleased to announce our new Give Better Hearing Referral Program!

At California Hearing Center, we believe great hearing care is best shared, and many of our patients come to us through you with your personal referrals to us, and we are truly grateful! Our **Give Better Hearing Referral Program** is our way of saying thank you for trusting us with your hearing healthcare and for helping others discover better hearing.

The Give Better Hearing Referral Program is both easy and rewarding!

How it works:

- ✔ Refer a family member or friend to California Hearing Center
- ✔ Your family member or friend completes a hearing aid fitting
- ✔ **Both you and your referral each receive $400 towards the purchase of a set of premium hearing aids**

It's that easy! Plus, there is no limit to how many friends or family you can refer.
